**Subject: 5<sup>th</sup> Annual Habitat for Humanity Iqaluit, (HFHIQ) Invitational Golf Tournament**

Hello and Welcome Sponsors and Golfers

On behalf of the board members of HFHIQ, I am delighted to have once again, the opportunity to invite you to the 5th Annual HFHIQ Invitational Golf Tournament. The 2010 event will take place on Friday, August 27<sup>th</sup>, on the beautiful upper Ottawa River resort "Relais Chateau Cartier Golf and Country Club" located in Gatineau, Quebec.

As in the previous 4 tournaments, our organizing committee is in full swing, putting together a fabulous program with a focus on providing you with a true Northern experience in a Southern venue. With our tournament being an invitational event, we offer all our players a once a year opportunity to meet and socialize with officials from political, government and Inuit organizations as well as owners and representatives of Nunavut's private business community.

We successfully completed our second house build in 2009 and are now working on plans to build our third home in 2011. The 2009 build drew a lot of national and international level attention with the introduction of our "Midnight Sun" build program. At this year's event, you will have an opportunity to view the project construction progress and in doing so, see first hand the difference we have collectively made in the life of our second partner family.

Attached is the official invitation and registration form. Please complete the registration form and send with appropriate fee payment to [golf@hfhiq.ca](mailto:golf@hfhiq.ca) at your earliest convenience. Our goal, as it was last year, is to sell out the tournament (140 players max), so make sure to register early.

We also have for the benefit of pre-registered golfers living in Iqaluit and Yellowknife a preferred return air fare rate complements of First Air.

If you wish to take advantage of this rate please contact us at [golf@hfhiq.ca](mailto:golf@hfhiq.ca). We have a similar preferred rate for those wishing to stay at the Chateau Cartier resort. A limited block of rooms has been set aside at a very reasonable rate, so book early to take advantage of this package. Booking codes for either can be obtained by contacting us at [golf@hfhiq.ca](mailto:golf@hfhiq.ca)

In the meantime, there is a little less than three months to tee off, thus giving you sufficient time to brush up on your golf game.

I look forward to meeting all of you on the 19<sup>th</sup> hole. Enjoy your summer!
